

Henk Wagemakers receives gold pin during Day of Archery

Oct 11, 2022 | General, Governance, People in Sport

Henk Wagemakers has been active as a referee since 1995, both nationally and internationally during competitions for Para, Youth, Target and more. Last weekend during the Day of Archery Henk received the golden national pin for his commitment to our sport.

Many will know Henk Wagemakers. As a referee he has been on the competition fields for more than 25 years, including 20 years as an international referee. In addition, since 1999 he has been very involved with new referees as a trainer and since 2002 active as a translator of the regulations into Dutch. His greatest love as International Judge was for the Para Archery competitions. He was head referee during the World Para Championships in 2011, 2015 and 2017. In addition to the functions as a referee, Henk has contributed much more, both regionally, nationally and internationally.

During the [Day of Archery](#), Henk received the golden medal from the hands of Honzik Pavel, board member of Topsport Talent Development and Training, for his commitment to the sport.
